

Poster Submission Guidelines

The SHPEP National Program Office is soliciting poster submissions for the National Alumni Conference to recognize and increase the visibility of research conducted by MMEP, SMEP, SMDEP, and SHPEP alumni. Your submission should be original research or secondary analyses. All types of research can be submitted - social science, education, evaluation, biomedical, etc. Both quantitative and qualitative research submissions will be considered.

Using the headers listed below, organize your abstract to include the following information:

- Title
- Author(s)
- Purpose of study
- Methods
- Key findings
- Implications

The abstract should not exceed 500 words. Submissions are due by Monday, July 8, 2019.

Submit your abstract as a PDF document to shpep_alumni@aamc.org. In the subject line, indicate NAC - Poster Submission 2019. If you have questions, please email shpep_alumni@aamc.org.
